

Sub : Voice for Council- send email/letter within a fortnight (1st July to 14th July 2021)

Dear Sir/ Madam
Namaskar!

As you are aware, we are advocating for the enactment of a law to establish a National Council for Social Work Education (NCSWE) in India. This Council shall enhance quality in social work education, including its linkages with practice, knowledge, and ethical conduct; create national registers of accredited social work education institutions and programmes; and shall raise the social work as profession. Our request to establish NCSWE is aptly in tune with the National Educational Policy of 2020.

We have submitted to Prime Minister Sh Narendra Modi Ji, and Sh Ramesh Pokhariyal 'Nishank', Our Education Minister, and other officials. We have prepared after wider consultation a document titled the *National Council for Social Work Education (NCSWE) 2021*. The Copies can be obtained from us or downloaded from the NAPSWE website.

We know your active engagement in this regard and we have a heartfelt appreciation for your efforts. We wish to inform you that the Government of India has recognized social workers in the health sector in its new law *The National Commission of Allied and Health Care Professions Act 2021*. This creates further hopes that we will succeed in our efforts but this will not be possible without your support. As each voice matters, we are approaching you to VOICE for Council.

We earnestly **request you to write a letter/email** on your official letterhead or in your individual capacity to the Prime Minister, Education Minister, UGC, and NITI AAYOG, Government of India **with a request to enact legislation for the National Council of Social Work Education**.

Please send your letter before 15th July 2021. Please mark a bcc of your mail to us also ncswe2021@gmail.com. *Please forward this email to your friends and in your group(s) with similar request.*

Sincerely yours,

National Convenor
NCC for NCSWE

Suggested letter or you can change the language as per your understanding

Dear Sir

Greetings

This is to request you to consider the request of professionally qualified social workers to enact a law to establish a **National Council for Social Work Education in India**.

I understand that the establishment of council will help to enhance quality in social work education, including its linkages with practice, knowledge, and ethical conduct; and to create national registers of accredited social work education institutions and programmes. This is also aptly in tune with the National Educational Policy of 2020.

You are requested to consider the long pending demand of Indian professional social workers community.

With hopes and wishes,

Your sincerely
